Improving Employee Onboarding

Nearly a quarter of staff turnover happens within six weeks of starting employment, which wastes time and resources. When a new hire starts with your company, this will be his or her first chance to see how it operates. Clear instructions, timely responses from management and human resource staff, and proper handling of new hire paperwork are important tasks that help instill confidence in new employees. But when your new hire is shuffling between departments during the first week of employment, it can be tough to keep track of where he or she is in the onboarding process.

The solution to this common problem is an automated onboarding system. You can eliminate unnecessary steps, automate your onboarding workflow, and get rid of extra paperwork.

Inside DPS

On October 22nd 2016, members of the Dominion Payroll team brought the SpeakUp5k to Tampa, Florida. Over 600 runners and 200 volunteers participated in the inaugural event, far exceeding expectations. In partnership with the CKG Foundation, our team chose to work with the Crisis Center of Tampa Bay.
