

News & Updates from DPS

Welcome to the new Time & A Half. Built for mobile. Built for you. June 2016. Issue 17.

Overtime Regulations Updated

As we are sure many of you have heard, the new overtime law has finally been finalized. There is a LOT of information floating around about the details of the law and how it may or may not effect employees and employers. Do you know what it means? What is going to happen?

iSolved Release 4.0.06

iSolved 4.0.06 introduces a new user interface with a more efficient flow and a cleaner feel. It's now quicker and easier for you to search, navigate, and get your tasks done!

WHAT DOES IT MEAN?

Current settings, information, accessibility or administrative access **WILL NOT CHANGE!** Functionality flow will remain **EXACTLY** the same.

DPS to open office in Austin, Texas

DPS is expanding by opening a new office in Austin, Texas. "The Texas and Southwest markets offer many opportunities where we believe DPS can make a difference", states David Gallagher, CEO. "And Austin fits our model for the type of creative community that our people enjoy being a part of."
